This event will provide you with an opportunity to find out more about working and/or training as a doctor both at Scarborough Hospital and in Primary Care on the beautiful Yorkshire Coast either now or in the future.

Open days are a great opportunity to talk to staff and exhibitors from the local area and the next stage in your career could start here; put the date in your diary now

Apply and be recruited on the same day (for Trust Grade & SAS vacancies) – contact Georgina Michulitis, Medical Workforce Manager on 01723 342580 for more information.

## On the day we are offering opportunities to:

- Meet hospital clinical & management representatives from all specialities
- Meet GPs from the local area
- Find out about GP training including Global Health Fellowships and Acute and Emergency Medicine Fellowships
- Find out about working as a portfolio GP including working overseas, in substance misuse, in education, in sexual health, as a private GP
- Take part in/observe a simulated learning event
- Attend interviews for current vacancies
- Discover more about the area – culture, property, education
- Acquire information regarding local research & teaching opportunities
- Meet representatives from the Royal College of General Practitioners
- Meet representatives from the Postgraduate Medical Education Centre
- Learn about our Staff Benefits
