Update from YORLMC for GPs and practice staff in
Bradford, Airedale, Wharfedale & Craven - April 2020

Supporting practices during COVID-19 emergency

Dear colleagues

Coronavirus (COVID-19)

The COVID-19 emergency is currently the focus of all of our work in General Practice. It's an unprecedented and very challenging time for all of us. YORLMC officers are in regular contact with senior representatives from CCGs, NHSE, hospital trusts and others and send regular updates to GPs and Practice Managers with the latest news and guidance.

Thanks very much to all those practices who are completing our daily survey. The information from this survey is really useful getting support to practices that require it.

As part of the support YORLMC is providing during the COVID-19 emergency, we have added to our current wellbeing offer to practices. It is a difficult time for us all and is important that we look after our own wellbeing as we care for our patients. There's more detail on a new dedicated wellbeing page on the [YORLMC website](#) which also includes information about our new "COVID19 Peer Support Programme" (CPS) which offers free virtual peer support to GPs via video calling facilities

Following the recent elections to Bradford & Airedale LMC, I am very pleased to be re-elected unopposed as Chair. It's a great honour to represent GP colleagues across Bradford, Airedale, Wharfedale & Craven and I look forward to continuing this work.

With best wishes
