Update from YORLMC for GPs and practice staff in North Yorkshire & York—January 2021

YORLMC Roadshows

Message from NY Branch Chair Dr Sally Tyrer

Each Spring YORLMC hosts a series of locality roadshows to update GPs and practice managers on changes to the GP contract. **This year, these roadshows will be held via Zoom with a choice of a late afternoon or evening session.**

These roadshows will be hosted by YORLMC Medical Secretary Dr Brian McGregor and will include an update on changes to the GP contract 2021-22. The significant increases in funding planned for 2021/22 will take place but there will be minimal contractual changes for practices from April 2021 and some previous agreements will be delayed. This is to give practices support and stability through the continued pandemic and whilst practices are playing a significant role in the COVID-19 vaccination programme. There's more detail on the [BMA website](#) and the roadshows will be an opportunity to hear direct from Brian about the implications of these changes, and ask him your questions.

Brian will also provide the latest news on NHSE/I proposals to make ICSs (Integrated Care Systems) statutory bodies. These proposals could have a dramatic effect on the healthcare landscape and significantly alter the role of CCGs. The [BMA](#) and [YORLMC](#) have each responded to the engagement exercise and the roadshow will be a chance to hear more about the impact of these possible changes and next steps.

You can book your place at the roadshow of your choice now, via the links below. Places are limited, so please book as soon as possible.

Message from Berni Judge

Practice Manager resource, North Yorkshire Branch, YORLMC

Berni Judge

Just a reminder that I am the Practice Manager Resource co-opted to the North Yorkshire Branch of YORLMC. My co-option to YORLMC has been made with the intention of providing practices across North Yorkshire and York with an additional resource and acting as a link with practice manager colleagues. For clarity, my role is not to provide practice manager representation but instead is to provide a resource and expertise to the Committee by providing a practice manager perspective. I will be attending Branch meetings and meetings with CCG leads so if you feel there are issues/themes emerging that would benefit from being highlighted at these meetings please let me know so I can ensure these can be considered for inclusion on meeting agendas. The easiest way to contact me is by email – berni.judge@nhs.net. When emailing it would be helpful if you could also copy your email to the Corporate Affairs Team -
