Inclusion - creating the ideal environment for colleagues to disclose their protected characteristics

Are you interested in creating an environment that is based on **openness** and **transparency**?

Would you like to share **good learning and practice**?
Please join our FREE event on
Thursday, 29th April 2020
9:30am – 12 noon

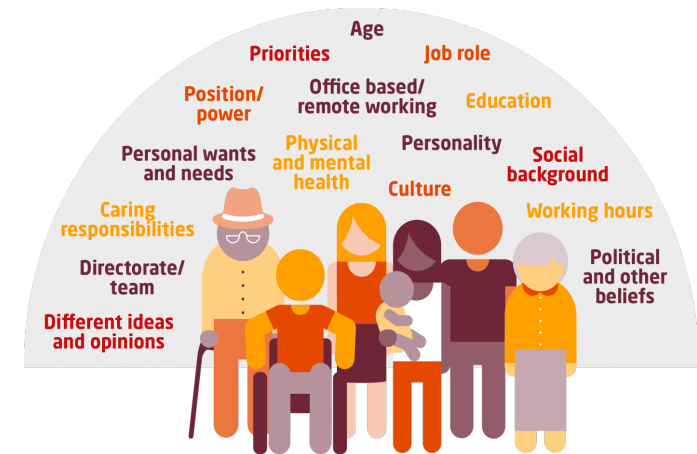

The workshop will stimulate discussions about the environment that we need to create to get our more diverse staff to disclose.

Open to all Health, Care and VSO colleagues with lived experiences in North East and Yorkshire region.
