

# GP and GPN Newly Qualified Fellowship Offer

**Exciting fellowship opportunity for newly qualified GPs and GPNs working in substantive roles within West Yorkshire GP Practices**

West Yorkshire and Harrogate  
Health and Care Partnership

## Background

The NHS Long Term Plan committed to a programme of fellowships supporting recruitment and retention in General Practice. In 2019/20 each local ICS/STP received funding to develop a fellowship offer that would be available to all newly qualified GPs and nurses working in primary care. In West Yorkshire the detail of the programme is currently being worked up as part of our programme of work led by the West Yorkshire Primary and Community Care Steering Group.

## The West Yorkshire Fellowship Offer

- Two-year programme of support available for all newly qualified GPs and newly qualified nurses or nurses new to working in General Practice.
- The programme is open to all GPs that have qualified since August 2019 and are employed by a practice or a PCN in West Yorkshire.
- In West Yorkshire the Programme is open to all nurses that are new to primary care, since August 2019, that are employed by a practice or a PCN in West Yorkshire.
- The West Yorkshire Fellowship Offer will include backfill to enable time to understand local systems and ways of working in primary care. The fellowship offer will include
  1. Induction;
  2. Mentorship; and
  3. Peer Support.

## Register your interest

The details of the Fellowship Offer in West Yorkshire are currently being worked up and finalised ready for implementation later this year. The Fellowship offer will be coordinated and led by the West Yorkshire Training Hubs.
