

ENHANCED GP FELLOWSHIP

FOR HUMBER, COAST AND VALE

For Newly Qualified GPs (within 2 Years post-CCT)

- Supports personal development, continued learning and development of skills
- Enables time embedding into practice
- Promotes job satisfaction and retention
- Practices employ and receive reimbursement for educational & fellowship sessions

Priority places to the most under-doctored areas

Structure - 8 Session per week GP post – within the first 2 years post CCT:

- 5 Clinical Sessions
- 1 PDP Session
- 1 Catalyst Educational Session
- 1 Fellowship Session

Practice Funding

Reimbursement for release of time will be provided to the practice, totalling £20,000 per year:

- £10,000 to cover release for 1 session per week Catalyst Educational Sessions
- £10,000 to cover release for 1 session per week Enhanced Fellowship work

The focus of the fellowship time can be planned to suit the GPs interests, for example:

- Teaching and training
- Education
- Research
- Leadership
- Specialist clinical placements
- Project work

Fellowship time will include support from an allocated GP supervisor and regular facilitated peer-group sessions
