Bradford

## MERRY CHRISTMAS AND HAPPY NEW YEAR FROM THE CORPORATE AFFAIRS TEAM

### CYTOLOGY UPDATES

Cytology update training is required every 3 years but this no longer needs to be face to face training. An e-learning module has been developed by Health Education England. The link to the module has recently moved and can now be found as part of the

[E-learning for Health package](#). All practices have free access to this package and just need to register with their nhs.net email account.

### MENTOR TRAINING

Many practices will undertake training and mentoring within their teams. Nurses who undertake a mentor role need to have obtained Mentor Training. You may find it useful to visit the [NEPSEC](#) website. They provide free update and initial mentor training for practices in the North of England.

## **\*\*NEW DATES\*\* VACCINATION & IMMUNISATION**

### INTRODUCTION TRAINING

21<sup>st</sup> & 22<sup>nd</sup> February Harrogate

### UPDATE TRAINING

19<sup>th</sup> February York  
20<sup>th</sup> February Harrogate  
23<sup>rd</sup> February Bradford

## SEXUAL HEALTH COURSE

We are teaming up with the Faculty of Sexual & Reproductive Healthcare to bring practices the SRH Essentials course. The course aims to introduce and update practice nurses on bringing up the topic of contraception and sexual health with patients, assess and safely reissue contraception, assess whether a woman is at risk of pregnancy, decide which method of emergency contraception patients may safely consider, identify when a patient is at risk of an STI and decide when to refer to a GP or other service. Dates will be posted on the website soon.

### GP COACHING

NHS England are offering fully funded one-to-one tailored coaching for GPs. Please see separate flier for details.
