## CALLING ALL GP TRAINERS AND EDUCATORS

To assist GPC in representing Trainers, Educational supervisors and undergraduate teachers better, they have set up a new electronic discussion group (list server) with the hope that discussions will potentially provide GPC with evidence for negotiations for pay uplifts for educational roles. In order to join the group please can GPs email Karen Day directly at [kday@bma.org.uk](mailto:kday@bma.org.uk), expressing their wish to be on this new listserver.

## BRADFORD & AIREDALE SESSIONAL GP EDUCATIONAL EVENTS

YORLMC and BAWC CCGs are working together to deliver a programme of education events

specifically designed to meet the needs and interests of sessional (salaried & locum) GPs. These are likely to cover Personal Professional Effectiveness and Clinical Consultation Effectiveness. A survey is open to register preferences for courses and times of delivery. It can be accessed here [Course Survey](#)

## \*\*NEW EAR CARE UPDATE NURSES\HCAs\*\*

Clinicians working in Primary Care are frequently requested to see patients with excessive wax. This half day study session allows the practitioner to revise their knowledge and competence of irrigation. See [website](#) for details.
